Drafting Instructions

Instructions to assist you to complete this Agreement are in black text on a grey background. Where you need to insert details or choose whether to include the relevant text the text is highlighted in yellow. Standard model clauses are in black text and are not highlighted. Don't forget to delete any options you do not use. Delete this box and all drafting notes and all yellow highlighting before providing this Agreement to the Grantee.

Once completed, this document, together with each set of Grant Details and the Commonwealth General Grant Conditions (Schedule 1), forms an Agreement between the Commonwealth and the Grantee.

You should enter the specific details of each particular Grant, such as the purpose of the Grant, the Parties involved, and the details of the Activity to be undertaken, in the Grant Details. The Grant Details also include any Supplementary Terms that apply to the Activity, such as specific legislative requirements or industry standards for each Grant.

You can include terms, in addition to those contained in the Commonwealth General Grant Conditions, in the Supplementary Terms. You can only include Supplementary Terms that are provided in the template. You should consider the scope and subject matter of a particular Grant when deciding whether or not to include a particular Supplementary Term.

Representatives of the Commonwealth and the Grantee must sign the Agreement on the signatures page.

Multiple Grant Agreements

It is possible for more than one Grant to be covered by one Agreement. This is achieved by completing a separate Grant Details for each Grant - and including in Item A of the Grant Details for each Grant, a reference to the main Agreement. When entering into a Grant with a Grantee for the first time, or where a new Grant is to be a standalone agreement, the Grant Agreement section should be completed to create the new Agreement. When providing a subsequent Grant to a Grantee that is to form part of an existing Agreement, complete a new Grant Details section but delete the Grant Agreement section - the information in the existing Agreement will apply. Further guidance on issues to consider when deciding whether to enter into a 'new' Agreement for a subsequent Grant or whether to add it to an existing Agreement can be found on the Finance website.

The Commonwealth General Grant Conditions (General Grant Conditions) at Schedule 1 define the standard rights and obligations, and contain definitions, that apply to the entire Agreement. These conditions cannot be changed. However, any Supplementary Terms included in the Grant Details will take priority over the General Grant Conditions in the event of inconsistency. Note that any Supplementary Terms included in the Grant Details will only apply to the specific Grant covered by the Grant Details. Where a subsequent Grant is being provided under an existing Agreement, when completing the Grant Details for the Grant you will need to consider again whether any of the Supplementary Terms should apply to that Grant and include or delete as appropriate.

Once completed, this document, together with each set of Grant Details and the Commonwealth General Grant Conditions (Schedule 1), forms an Agreement between the Commonwealth and the Grantee.

Parties to this Agreement

You should provide details of both the Grantee and your entity, which represents the Commonwealth. Not all the information will be necessary for every Grantee or every Agreement. However, enough information must be included to properly identify the Grantee including their full legal name. If the Grantee is a trustee of a Trust, you should ensure that you include both the full legal name of the Grantee, and the full name of the Trust. In this situation, check that the ABN that is included is the ABN that relates to the Trust (rather than the trustee itself).

The Commonwealth

The Commonwealth of Australia represented by [full entity name]
[address]
ABN [insert entity ABN]

Background

The Commonwealth has agreed to enter this Agreement under which the Commonwealth will provide the Grantee with one or more Grants for the purpose of assisting the Grantee to undertake the associated Activity.

The Grantee agrees to use each Grant and undertake each Activity in accordance with this Agreement and the relevant Grant Details.

Scope of this Agreement

This Agreement comprises:

(a) this document;
(b) the Supplementary Terms (if any);
(c) the General Grant Conditions (Schedule 1);
(d) the Grant Details;
(e) any other document referenced or incorporated in the Grant Details.

Each set of Grant Details, including Supplementary Terms (if any), only applies to the particular Grant and Activity covered by that set of Grant Details and a reference to the ‘Agreement’ in the Grant Details or the Supplementary Terms is a reference to the Agreement in relation to that particular Grant and Activity. If there is any ambiguity or inconsistency between the documents comprising this Agreement in relation to a Grant, the document appearing higher in the list will have precedence to the extent of the ambiguity or inconsistency.

This Agreement represents the Parties' entire agreement in relation to each Grant provided under it and the relevant Activity and supersedes all prior representations, communications, agreements, statements and understandings, whether oral or in writing.

Certain information contained in or provided under this Agreement may be used for public reporting purposes.
Grant Details [insert reference number/name]

[When completed, the Grant Details should contain all the information necessary for the completion of the Activity for which the Grant was provided, including any reports necessary for evaluation of the Grant.]

A. Purpose of the Grant

[You should clearly set out the outcomes or operational objectives of the Grant. This should be a brief summary of the aims/objectives of the Grant and not the specific details of the Activity (which should appear at Item B). The purpose of the Grant should be consistent with any guidelines issued by the Entity relating to the Grant or grant program. Details of any program the Grant belongs to should also be included where relevant. If this Grant is being provided under an existing Agreement with the Grantee, details of that Agreement should be included here – as noted above, in this situation you should delete the Grant Agreement section.]

The purpose of the Grant is to [insert details of activity aims or objectives].

This Grant is being provided under, and these Grant Details form part of, the Agreement between the Commonwealth and the Grantee dated [insert date] [insert reference number/name].

The Grant is being provided as part of the [insert details] program.

B. Activity

[You should include a detailed description of the Activity linked to relevant key performance indicators. If appropriate, this can be structured using 'milestones' or 'stages' - particularly if the Grant is to be paid in instalments or where the Grantee will be required to provide any reporting of the Activity (whether performance or financial). The details of any reports required as part of the Activity should be included at Item E below. If appropriate, you should include details of anything that is not part of the Activity and therefore not able to be covered by the expenditure of the Grant.]

[insert details]

C. Duration of the Activity

[You should specify the anticipated Activity start date and Completion Date. Make sure the Completion Date takes account of the submission and acceptance of any reporting required under Items B and E.]

The Activity starts on [insert date/event] and ends on [insert date/event], the Completion Date.

[The following schedule provides an example of how you might specify the timing of specific events. Milestones should be clearly linked with the description of the Activity in item ‘B. Activity’ above and/or any reporting requirements in item ‘E. Reporting’ below.]

D. Payment of the Grant

[You should describe the amount of the Grant, the form of payment(s), and timing of payment(s). If you do not include the Grantee's nominated bank account details below, you will need to ensure that you have a process for obtaining and confirming the details of the bank account into which the Grant is to be paid. As noted in item 'C. Duration of the Activity' above, if the Grant is going to be paid in instalments, these should be linked to the milestones or stages used in the description of the Activity.]

The total amount of the Grant is [insert amount] (GST [incl/excl]).

The Grantee must ensure that the Grant is held in an account in the Grantee's name and which the Grantee controls, with an authorised deposit-taking institution authorised under the Banking Act 1959 (Cth) to carry on banking business in Australia.

The Grantee’s nominated bank account into which the Grant is to be paid is [insert bank account details].

[The following payment schedule provides an example of how you might specify the timing of payments. Milestones should be clearly linked with the description of the Activity in item ‘B. Activity’ above.]

The Grant will be paid in instalments by the Commonwealth upon completion of the agreed Milestones, and compliance by the Grantee with its obligations under this Agreement.

[If relevant, you should include your invoicing requirements. Where the Grant is subject to GST, you must ensure that you include all requirements for the invoice to be a 'tax invoice' for the purposes of relevant GST legislation. Where your Entity will be issuing Recipient Created Tax Invoices, this should be detailed here.]

Invoicing

Each payment will be made following submission by the Grantee of a correctly rendered invoice. To be correctly rendered, the invoice must:

[insert invoicing details]

[OR]

The Grantee agrees to allow the Commonwealth to issue it with a Recipient Created Tax Invoice (RCTI) for any taxable supplies it makes in relation to the Activity.

[insert date e.g. month/year]
[insert department/entity name]
E. Reporting

In this section you should clearly establish any reporting requirements that form part of the Activity. You should include a description of what should be included in the report, details of any particular certification or 'sign-off' (e.g. signed by the chief executive officer, an auditor etc) and the date by which the report is to be provided. The default position under the General Grant Conditions is that acquittals require a signed statement by the Grantee. You should indicate who is required to sign the statement here if there is a requirement for a particular individual to do so. If independently audited financial reports are required, you should indicate it here and you must include Supplementary Term ‘G4. Audit’ in the Supplementary Terms.

The Grantee agrees to create the following reports in the form specified and to provide the reports to the Commonwealth representative in accordance with the following:

F. Party representatives and address for notices

In this section you should include the name, position and contact details of the representatives of the Parties. The representatives will be responsible for liaison and the day-to-day management of the Grant, as well as accepting and issuing any written notices in relation to the Grant. The representatives may or may not be the signatories to the Agreement.

The Parties' representatives will be responsible for liaison and the day-to-day management of the Grant, as well as accepting and issuing any written notices in relation to the Grant.
G. Supplementary Terms

You should only include Supplementary Terms which are necessary to the transparency and accountability requirements of the Commonwealth and the effective completion of the Activity. A list of Supplementary Terms dealing with some of the more common issues is set out below. You cannot add to or amend the Supplementary Terms, except where you are asked to insert details. Supplementary Terms which are not used should be deleted and the words “Not Applicable” included under the Supplementary Term heading. If you are incorporating a large number of Supplementary Terms, you should carefully consider whether the Grant is low-risk.

G1. Other Contributions

The following Supplementary Term should be included where your decision to provide the Grant is in part due to the Grantee or a third party (e.g. a State government agency) providing financial or in-kind contributions to support the conduct of the Activity. Where the Grant is contingent on Other Contributions you may wish to include an associated reporting requirement as part of Item E in the Grant Details. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.

Not Applicable

[OR]

G1.1 ‘Other Contributions’ means the financial or in-kind contributions other than the Grant set out below:

[insert details]

[The following table provides an example of how you might specify Other Contributions to the Activity.]

<table>
<thead>
<tr>
<th>Contributor</th>
<th>Nature of Contribution</th>
<th>Amount (incl. GST)</th>
<th>Timing</th>

</thead>
<tbody>

<td>[insert description of contribution, e.g., cash, access to equipment, secondment of personnel etc]</td>
<td>[insert amount]</td>
<td>[insert date or Milestone to which the Other Contribution relates]</td>
</tr>
</tbody>
</table>

G1.2 The Grantee agrees to provide, or to ensure the provision of, the Other Contributions and to use them to undertake the Activity. If the Other Contributions are not provided in accordance with this clause, then the Commonwealth may:

(a) suspend payment of the Grant until the Other Contributions are provided; or

(b) terminate this Agreement in accordance with clause 18 of the General Grant Conditions.
G2. Activity budget

[Where a budget has been agreed as a component of the Agreement it should be included below. The budget would form the basis against which the Grantee would acquit the Grant at the Activity's Completion Date. The budget should include any 'Other Contributions' - see above. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.]

Not Applicable

[OR]

G2.1 The Grantee agrees to use the Grant [and any Other Contributions] and undertake the Activity consistent with the following budget:

[insert details]

[The following table provides an example of how you might specify the expenditure of the Grant within a budget.]

</tbody>

G3. Record keeping

[You should clearly establish any additional record keeping requirements. Be sure to specify any requirement to retain records after the Activity ends. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.]

Not Applicable

[OR]

G3.1 The Grantee agrees to maintain the following records:

(a) identify the receipt and expenditure of the Grant [and any Other Contributions] separately within the Grantee's accounts and records so that at all times the Grant is identifiable; and

(b) keep financial accounts and records relating to the Activity so as to enable all receipts and payments related to the Activity to be identified and reported; and

(c) [insert other requirements]

G3.2 The Grantee agrees to maintain the records for five years after the Completion Date and provide copies of the records to the Commonwealth representative upon request.

G3.3 Term G3 survives the termination, cancellation or expiry of the Agreement.
G4. Audit

You should only include this clause if you have included the requirement to have an independently audited financial acquittal report in item ‘E. Reporting’ of the Grant Details. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.

Not Applicable

[OR]

G4.1 The Grantee agrees to provide the Commonwealth with independently audited financial acquittal reports verifying that the Grant was spent in accordance with this Agreement.

G4.2 Independently audited financial acquittal reports must be audited by:

   (a) a Registered Company Auditor under the Corporations Act 2001 (Cth); or

   (b) a certified Practising Accountant; or

   (c) a member of the National Institute of Accountants; or

   (d) a member of the Institute of Chartered Accountants;

who is not a principal member, shareholder, officer or employee of the Grantee or a related body corporate.

G5. Activity Material

Intellectual Property Rights created under this Agreement should belong to the Grantee and the Commonwealth is licensed with regard to the content of the reports in item ‘E. Reporting’ (see General Grant Condition 12). You should carefully consider if the Commonwealth is likely to want a licence over any Activity Material created under the Agreement and, if so, this clause should be included. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.

Not Applicable

[OR]

G5.1 The Grantee agrees, on request from the Commonwealth, to provide the Commonwealth with a copy of any Activity Material in the format reasonably requested by the Commonwealth.

G5.2 The Grantee provides the Commonwealth a permanent, non-exclusive, irrevocable, royalty-free licence (including a right to sub licence) to use, reproduce, publish, and adapt the Activity Material.

G5.3 The Grantee warrants that the provision and use of Activity Material in accordance with the Agreement will not infringe any third party’s Intellectual Property Rights.

G5.4 Term G5 survives the termination, cancellation or expiry of the Agreement.
G6. Access

[You should include this Supplementary Term where you require additional access to premises and documents due to the nature of the Activity. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.]

Not Applicable

[OR]

G6.1 The Grantee agrees to give the Commonwealth, or any persons authorised in writing by the Commonwealth, access to premises where the Activity is being performed and to permit those persons to inspect and take copies of any Material relevant to the Activity.

G6.2 The Auditor-General and any Information Officer under the Australian Information Commissioner Act 2010 (Cth) (including their delegates) are persons authorised for the purposes of clause G6.1.

G6.3 Term G6 does not detract from the statutory powers of the Auditor-General or an Information Officer (including their delegates).

G7. Equipment and assets

[Equipment and assets purchased by the Grantee for the purpose of the Activity are owned by the Grantee. Where significant equipment and assets are going to be required to undertake the Activity and/or you require the Grantee to keep records of equipment and assets purchased with the Grant the following clause(s) can be used. Consider whether a budget would also be appropriate - see Supplementary Term ‘G2. Activity budget’ above. You should indicate “Not Applicable” and delete all other highlighted text if this Supplementary Term is not included.]

Not Applicable

[OR]

G7.1 The Grantee agrees to obtain the Commonwealth’s prior written approval to use the Grant to purchase any equipment or asset for more than $5,000 (including GST), apart from those listed in the Budget and/or detailed below:

(a) [insert list of approved equipment and assets]

G7.2 The Grantee agrees to maintain a register of all equipment and assets purchased for $5,000 (including GST) or more with the Grant in the form specified below and to provide the register to the Commonwealth upon request.

G8. Relevant qualifications or skills
